

Simon Technology Center Library

A Library of Possibilities

The Simon Technology Center Library offers an inexpensive way to preview software and popular assistive technology devices for children and young adults with disability.

The Library contains over 2,500 pieces of assistive technology. Our software emphasizes educational skills including reading, writing, math, science, independent living skills, keyboarding, social studies, problem solving, cause and effect and other access methods!

Library Membership Advantage & Quick Guide:

- **Checkout 3-4 items at a time** if you have an individual or family membership. Professionals/organization memberships may checkout 5-6 items at a time.
- **Loan duration is 4 weeks**. Items may be renewed once by calling, emailing, or visiting.
- **Join the waitlist** if an item is currently not available for checkout. You will be contacted as soon as it becomes available. You will then have one week to claim your library item for checkout.
- **The online catalog**, A.T. Finder, allows you to search and view the Library's inventory.
- **Mailing service** - We will mail items out to you postage paid. Simply call or email your request to the library for materials to be checked-out and mailed to you.
- **Schedule a "Quick Pick-Up"**. Can't stop in during open library hours? Simply email or call a request in to the library staff, minimum of 24 hours in advance. If the requested items are available they will be prepared and ready to go for the time agreed upon by the library coordinator and library member. A quick pick-up can be scheduled for a time during regular business hours as well as during open library hours.
- **Item Loan Request Form**- use it for: listing and remembering items of interest to you, communicating requests to check out library items, having library items continually mailed and supplied to you, and keeping it on file at the library for future reference.
- **Read reviews and post reviews** of assistive technology on the online AT Finder and the pacer library website www.pacer.org/stc/library, respectively.
- **NEWEST ADDITIONS TO THE STC** link on the www.pacer.org/stc/library webpage provides you with a list of the newest assistive technology added to the Simon Technology Center.
- **Library AT Purchase Request Form** at www.pacer.org/stc/library allows you to submit a request for an assistive technology product to be purchased and added to the library inventory.
