

Mission Statement Youth Advisory Board

Our mission is to educate the public on what a youth with mental health issues goes through in the school and in the community

YOUTH ADVISORY BOARD

Looking at ways for youth to participate in how services are developed and provided.

We hope to make a difference by:

- Reducing the stigma associated with mental health diagnoses
- Education the public on the issues youth face
- Influencing the children's mental health policy changes
- Advocating for better services
- Providing peer support
- Being better self-advocates
- Creating a youth presence in an adult dominated world
- Developing our own leadership skills

Current activities:

- Meeting monthly
- Maintaining and updating the CMH & EBD website about our youth advisory board with resources for youth with mental illness
- Presenting at conferences, staff trainings, and other public speaking opportunities
- Giving our input on articles, publications and to youth and family serving organizations
- Participating in volunteer activities related to children's mental health

Youth having a voice and making a difference!

Nothing about us, without us!

Please answer the following questions:

Why would you like to be a part of the Youth Advisory Board?

What has been your experience in school as a youth with a mental illness?

What other leadership activities have you participated in (councils, clubs, boards, groups, peer mediation, etc.)?

Do you have any experience with public speaking?

Are you willing to speak in public about your diagnosis or disability?

What changes would you like to see for youth who have mental health needs or who receive Special Education services (i.e., in schools, communities, families, health care, laws, among peers)?

What are your interests and talents or extracurricular activities you are involved in (sports, after school activities, etc.)?

Is there anything else you would like to share?

Do you have any questions about the Youth Advisory Board?
