

WHAT'D YOU DO THIS WEEKEND?

Have a great answer on Monday!

Tell'em you
 went bowling...
 or swimming...
 or to a concert...
 or out for pizza...
 or to the movies...
 or to a Twins game...
 or shopping with friends...
 ...Friends you met through FUN TIMES!

"They saw me, not my disability."

"I just had a lot of fun!"

"I was able to connect with kids in my community."

"I really learned a lot about making friends"

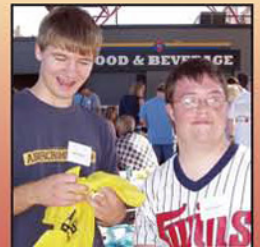

"I feel like I'm helping people understand that kids with disabilities aren't so different from everyone else."

THINK IT.

PLAN IT.

DO IT!

FUN TIMES START HERE !

Everyone needs to get out of the house and hang out with friends. For teens with disabilities, that can be tough.

But what if..

- ★ Teens with and without disabilities paired up for group activities?
- ★ They planned events around the interests of teens with disabilities?
- ★ They created friendships they never expected?
- ★ They learned about themselves and someone different from themselves?
- ★ They made the world a better place?

Everyone would have FUN TIMES!
FUN TIMES is a volunteer social program that connects teens with and without disabilities.
