## Promoting Housing Choice and Resource Sharing for People with Disabilities

**Do you need a roommate to share an apartment or house you already have?**

**Are you looking for one or two people to find and share a place to live?**

What ever your situation, finding the right roommate(s) to share a home is one of the most important decisions in sorting out your housing solution.

**FindMyRoommate Minnesota** is a free online matching service for people with disabilities that can help you find others with disabilities to meet housing solutions or help people find you.

**FindMyRoommate Minnesota** is a safe method that consumers may use entirely by themselves, or can ask someone to assist them such as a family member, friend, social worker, or direct care worker. Anyone can view listings on **FindMyRoommate Minnesota** without signing up. However, you will not be able to use the message system until you do sign up

Finding the right roommate takes time. By posting your information on **FindMyRoommate Minnesota** as soon as possible, you can get the word out early to others about what you are looking for. If your needs or time frames change, you can always update your listing.
