

Creation Station

A project of the Simon Technology Center at PACER

Providing the canvas for imagination, innovation, and expression for children with disabilities and their families

Please Register Today!

WHAT Creation Station is a place where kids from age 4 to 20 of all abilities come with their families to be creative, meet new people, and have fun while working in a safe and supportive environment.

WHEN Select Saturdays, 10 a.m. to noon (unless otherwise noted)

WHERE PACER Center

HOW Register by calling PACER at 952-838-9000, sending an e-mail to stc@PACER.org, or visiting PACER.org/workshops/bygrant.asp#stc. It's free!

Simon Technology Center staff will lead activities and provide instruction for amazing works of art, but caregivers must stay to supervise and assist as needed. Pre-registration is required.

Upcoming Saturday Activities!

Come show off your creativity and make hands-on projects!

3D Creations

Sept. 12, 2009

Let sequins, glitter, and beads inspire you to create a 3D masterpiece. Explore materials such as buttons, stickers, and fabrics as you design a one-of-a-kind piece of art.

Monet for a Day

Oct. 10, 2009

Pretend you're the famous French artist and make an impression with your paintings. Your mini-Monets will be worthy of hanging on your living room wall!

Annual Simon Technology Center Open House

Nov. 14, 2009

10 a.m. - 2 p.m.

Kids, bring your parents to the Simon Technology Center's annual open house so they can watch technology demonstrations, attend mini-workshops, tour the library, and more. Be prepared to explore art through a variety of activities in the Creation Station.

The Art of Leatherworking

Dec. 12, 2009

Join the fun as you create unique bracelets, key chains, and ornaments from leather. Use leatherworking stamps and dies to add a personal touch to your design. **(Bring ear plugs if loud sounds bother you: Hammering the leather is noisy!)**

Sculpey™ Extravaganza

Jan. 9, 2010

However you squish it, squash it, or squeeze it, Sculpey™ clay gives shape to imagination. Create amazing necklaces, key chains, bracelets, or whatever you can imagine!
