

Discover a World of Possibilities through Assistive Technology!

The PACER Simon Technology Center (STC) has partnered with the Minnesota STAR Program to provide exciting, new assistive technology for loan through the PACER STC Library. The assistive technology devices listed below are available for loan at no cost to the borrower, but a STC Library membership is required. To learn how to become a member of the STC Library, call 952-838-9000.
