## Special Education Day at the Capitol

“Special Education Day at the Capitol” is an opportunity for youth with disabilities, parents, and advocates to let state legislators know how important special education continues to be in Minnesota. Participants will learn how to talk effectively with legislators, then go to the Capitol where they will meet individually with their respective representatives and senators.

Come learn about:

- What happened in the 2009 legislative session
- What issues are expected in the 2010 session
- How to influence the legislative process
- How to use the power of your personal story

Participants will also participate in round table discussions on topics such as bullying prevention legislation and more.

Lunch will be provided.

*Cosponsored by the Coalition for Children with Disabilities*

*Directions and parking information will be mailed or e-mailed to all registered participants.*
