

## Students with Solutions

### Video title: United for Kindness

(released 10.10.16)

#### Classroom Discussion Questions

---

**1. In the video there is a line:**

**“It makes me feel sad.”**

- Do you think seeing kids getting bullied makes other students feel sad? Why?
- It's known that students who are bullied are negatively impacted, but what about those who witness it. How are they affected?
- What about those who bully? How does that behavior impact their school experience and future life?

**2. In the video there is a line:**

**“It hurts my feelings.”**

- Do you think emotional bullying (such as gossip, rumors, or name calling) can be more harmful and painful than physical bullying? Why?
- Do negative words and put-downs stay with someone longer than a punch or push?
- How does negativity that happens over and over, day after day, impact how someone feels about herself? What can happen as a result?

**3. In the video, there is a line:**

**“It's better to be a friend.”**

- Students who are bullied often say “I feel so alone.” How does having a friend or someone who cares make a difference?
- Have you ever wanted to help someone being bullied, but didn't know what to do? What are ways that you can show that you care?
- What happens when someone is being bullied and no one does anything? How do you think this makes the person being bullied feel?
