TIPS TO HELP PREVENT BULLYING

1

SPOT IT

Know the signs of bullying so you can help make a difference.

- **WHO?** Kids who bully are often looking for someone to pick on. And kids who are bullied never deserve it. No one has the right to hurt someone else—in person or online.
- **WHAT?** Bullying is happening when someone is hurt by words or actions, and has a hard time stopping it.
- **WHERE?** Bullying can happen anywhere: at school, on your computer, on the bus, or outside. No matter where it happens, all kids have the right to be safe.
- **WHY?** Some people bully others because they think it will help them fit in or look cool. It won't and it doesn't!

2

STOP IT

Telling is *not* tattling! Nobody deserves to be bullied, and everyone deserves respect.

- **IF YOU ARE BULLIED...** Remember that it is not your fault! Tell an adult right away.
- **IF YOU SEE BULLYING...**
 - Ask the kid who is bullying to stop.
 - Don't join in.
 - Tell an adult.
 - Be a friend to the kid being bullied.
 - Ask other kids to speak up as well.
 - Ask your school to start a bullying prevention program.

The end of bullying begins with YOU.

PREVENTION STARTS WITH YOU!
