

Robert Learned an
important lesson on his
first day at school

Billy called him a name.

He called him

BIG MOUTH

and within seconds he had
one.....

Karen called him

SKINNY

and that is what he
became....

Terry was jealous of Robert
because he was clever.

He called him

BIG HEAD

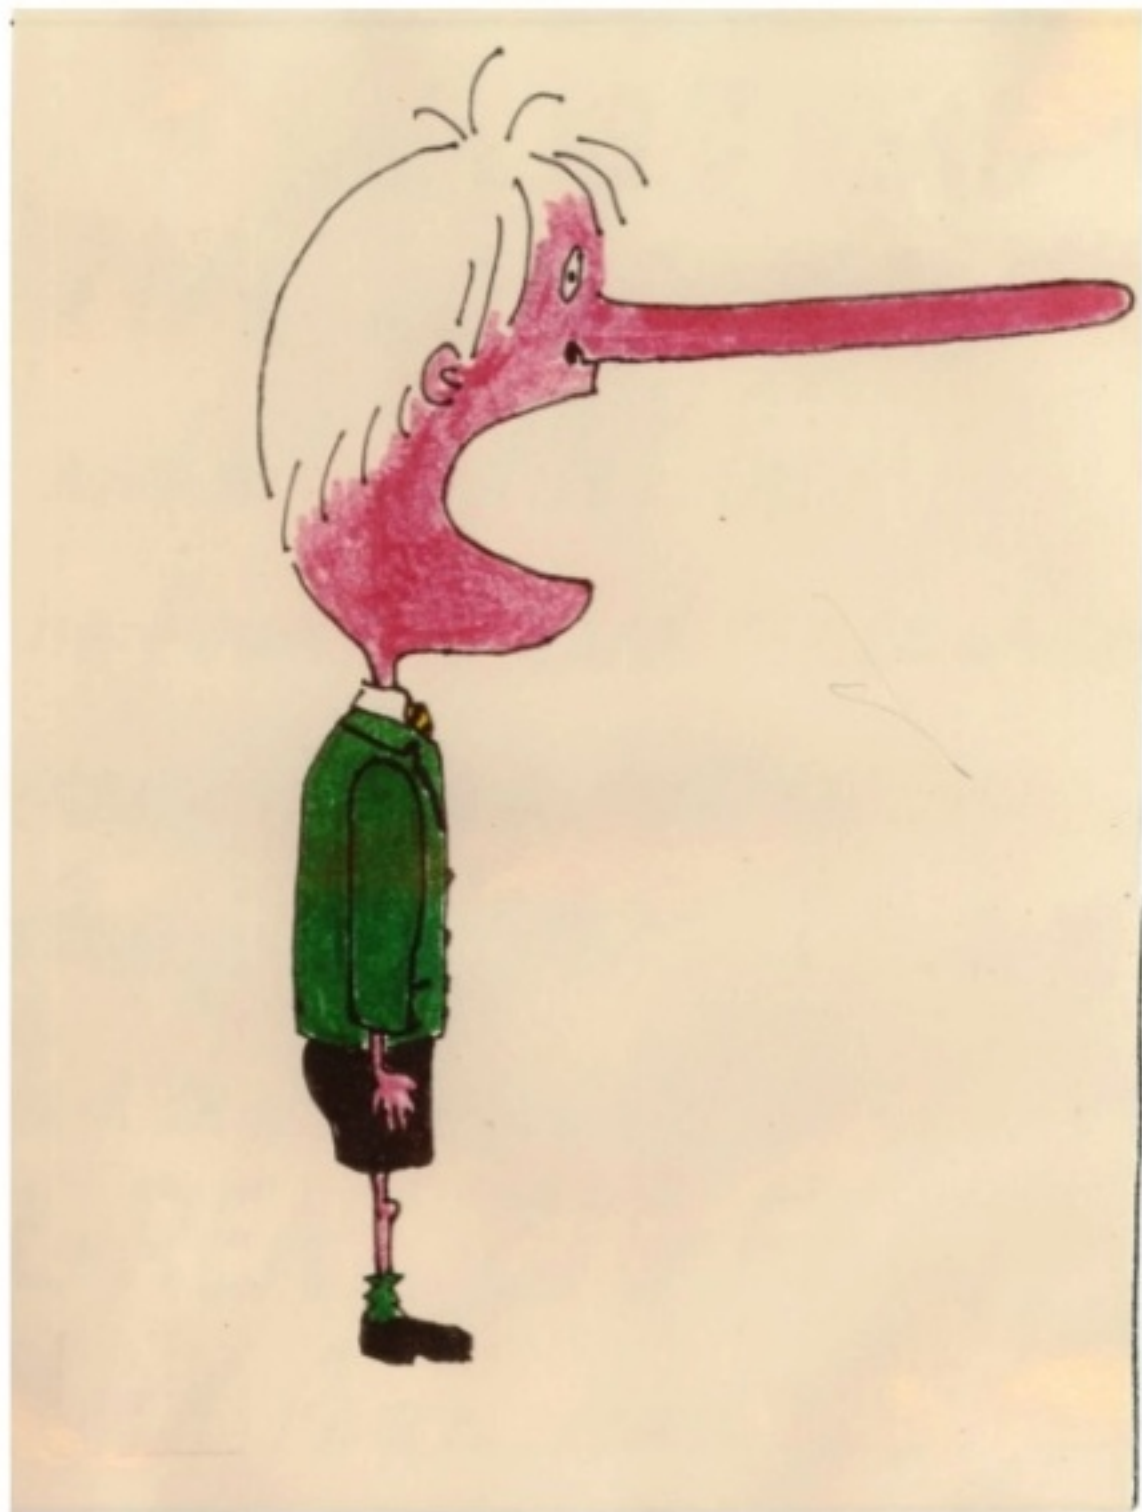

And his head grew and grew
and grew.....

Robert asked Tracey what she was
doing
and she told him to keep his

BIG NOSE

out of her business,
and his nose

With such a
BIG HEAD
and a
LONG NOSE
he found it hard to see where he
was going.

He trod on Paul's pencil and
broke it.

Watch where you are putting your
GREAT BIG FEET
said Paul and.....

You look silly

they said

You look stupid

You look funny

You look like

A CLOWN

and
they all

laughed at him

and

laughed at him

and

laughed at him

Until he cried
and went home
to his mum....

They all laughed at me
and said I was a
BIG MOUTH
and
SKINNY
and a
BIG HEAD
and
NOSEY
and had
BIG FEET
and was a
CLOWN
he cried.

And his mother held him tight....

She took him to the mirror and said

"Show me the clown"

And Robert looked in the mirror

and the clown.....

.....had gone!

...he was never really there
anyway!

.....was he?
