ELEMENTARY SCHOOL STUDENTS KIDS TALK ABOUT WHAT BULLYING IS

Bullying is when someone:
is hurt by unwanted words or actions,
usually more than once and,
has a hard time stopping what is happening to them.

Bullying can be physical
pushing and shoving
hitting
taking or breaking someone's things.

Bullying can be emotional
like name calling
gossip
rumors
making fun of someone
leaving someone out on purpose.

Words, whether said in-person or online,

Just like physical actions

Can hurt just as much

Because all bullying hurts.

Bullying can happen
anywhere
anytime.

It happens
on the bus
in text messages
on the playground
through social media
in the hall or in the classroom
on the court or field, at school,
outside of school
and when you're gaming online.

ELEMENTARY SCHOOL STUDENTS KIDS TALK ABOUT WHAT BULLYING IS

Bullying can make kids feel

all alone –

why is this happening?

sad –

is someone going to get hurt today?

scared –

will it happen to me next?

uncomfortable –

why are some kids so mean to other kids?

Kids who bully may think

it's no big deal or that it's funny

it will help them fit in

it will give them power over other kids

or maybe they are being bullied too.

But none of that ever makes it right.

Bullying is never okay

it's not cool

it's not funny

it's not fair

it's just wrong

and it shouldn't happen at all.

No one should ever bully.

No one should ever be bullied.

Speak up. Reach out. And be a friend.

Be a kid for kindness, acceptance, and inclusion.
