

# REDRAW YOUR WORLD

## BULLETIN BOARD CHALLENGE A GUIDE FOR GROWN-UPS

Involve the youth you work with to take part in the **REDRAW YOUR WORLD Bulletin Board Challenge**.

All participants are eligible for a chance to be featured on Cartoon Network's social handles on World Kindness Day.

### STEP 1: SET UP THE BULLETIN BOARD

- Download the "Bulletin Board Printouts"
- Print in color, or as black/white

*See website for sample.*

### STEP 2: HELP KIDS CREATE THEIR IDEAS

Encourage everyone to think about how they would redraw their world without bullying. Ask them to:

Write a poem

Describe in words

Draw a picture

Take a photograph

Use the "word bubble" templates for youth to enter their responses, or let them use any medium of their choosing.

### STEP 3: SHARE YOUR BULLETIN BOARD

During the month of October, share a photo of the completed board on social media (Twitter, Instagram or Facebook), using #StopBullyingSpeakUp.

### IMPORTANT INFO!

- NO student names should be shown (if names are needed, add them to the back of their response)
- Cartoon Network will feature their favorite bulletin boards on World Kindness Day
