*"I'm happy to have helped reach the goal of circling the world! Knowing the mileage over the month was supporting the mission of creating a more inclusive world kept me pedaling through some hard times."*

- Blaise, top mileage individual

### PARTICIPANTS SHARE ABOUT THE EXPERIENCE

- I liked knowing that I am participating in an event to prevent bullying
- It was nice to feel like I am making a difference and am part of a larger community committed to bullying prevention
- I walk all the time but walking with a purpose is so much more fun
- Exercising is much more enjoyable when you know you are doing it to honor such a worthy cause
- Kindness is free. It is doing what you can, with where you, and with what you have.
