You're the artist

Sally sang about speaking up, reaching out, and being a friend to prevent bullying. Draw a picture that shows what you can do and then write what that action is in the box next to your drawing.

Speak Up	I can...
Reach Out	I can...
Be a Friend	I can...

Think about it

What can you do at your school to bring people together for Unity Day and the rest of the year? Write or draw your answer.

“Speak up, reach out, and be a friend!”
