Inspiring Opportunities

PACER Center’s Children’s Mental Health and Emotional or Behavioral Disorders Project brings together parents, youth and professionals to help families receive the resources and support their children need.

This project promotes increased understanding of children’s mental health, and emotional and behavioral needs in the broader community.

About PACER Center

PACER Center is a nonprofit parent center for families of children and youth with all disabilities and for children who are bullied. PACER has provided assistance to families for more than 35 years. PACER serves families in Minnesota and across the nation. PACER is the National Bullying Prevention Center.

PACER Center enhances the quality of life and expands opportunities for children, youth, and young adults with all disabilities and for children who are bullied. PACER operates on the principles of parents helping parents, supporting families, promoting a safe environment for all children, and working in collaboration with others.
