

# PACER's SIMON TECHNOLOGY CENTER Lending Library

**Convenient, effective, and affordable assistive technology resources that enhance life for children and individuals with disabilities**

## Welcome to the Simon Technology Center Lending Library

**Assistive technology (AT)** includes devices or services that help children and adults with disabilities participate more independently. Ranging from simple adaptations to sophisticated technology, AT helps children and adults communicate, learn, live independently, be included, and succeed.

Which technology is the right technology? Find out at the Simon Technology Center Lending Library!

**With more than 1,500 items**, the library lets you try out and borrow the latest educational and disability-specific software, apps, and devices.

View the entire library collection by visiting our online catalog at:

**<https://STClendinglibrary.myturn.com/library/inventory/browse>**

## What members say about the Simon Technology Center Lending Library

*"Our district has been thrilled to have the Simon Technology Center Lending Library as a resource for our staff and students for many years. Everyone loves the day I return to see which things I checked out."*

**- Assistive Technology Specialist**

*"Recently we discovered an aid to daily living that might help our daughter. The STC purchased the item and we trialed the device. We ended up purchasing the device because we had confidence it would work for our daughter!"*

**- Parent**
