Join us to learn about assistive technology and experience a variety of devices for children, teens, and adults. Explore our Innovation Lab, learn to code robots, attend story time, become creative with accessible art and do-it-yourself activities, and learn about PACER's resources and more.

**Directions:** From I-494 take the Normandale Boulevard exit south to 84th Street; turn left. Take the next left onto the frontage road. PACER Center is a one-story brick building north of the bridge.

*If an ASL interpreter is needed, call 952-838-1338 with 48 hour notice*
