Tues., March 17, 2020, 6:00 to 8:00 p.m.

Schools are required to invite transition-age students to participate in an Individualized Education Program (IEP) team meeting when transition planning or postsecondary goals will be discussed. Is your son or daughter ready?

This workshop is for students with IEPs in 8th grade or above and their parents. Participants will learn how to use the IEP to support the transition to adulthood. Participants will also learn how each required part of the IEP can be developed to meet the student’s transition needs.

- Parents and students should register separately. Parents are welcome to attend regardless of their child’s attendance.
- Parents and students should bring a copy of the current IEP
- Students will participate in a separate workshop where they will talk about transition, learn more about their IEP, and create a self-advocacy tool

If an ASL interpreter is needed, contact PACERWorkshops@PACER.org or call (952) 838-9000 with 48 hrs. notice.
